
“INNOVATION HUB” ROUND TABLE

OCTOBER 10TH, 2024

CONVENTION HUB | 11.45 - 13.00

The companies participating in the Innovation Hub of Dronitaly discuss innovation and research, presenting their projects and technologies with registered patent.

Companies can then meet interested operators at the matching area located at the Convention Hub.

MODERATOR: Daniela Pitton, Exhibition Manager Dronitaly

SPEAKERS:

Mirco Biasi, CTO Widdel

Widdel: the smart personal locker designed for drones

Emanuele Rossi, Researcher DIME

M.A.R.S.: UAV platform and algorithms for forest fire monitoring

Alberto Landini, Senior Project Manager STAM

Technology transfer from space to terrestrial applications: STAM's approach to research and innovation

Giorgio Biasi, CEO Fly Value

Innovation and safety in the development of air drones

Mattia Romani, Sole Director Fitobiotech

Fitobiotech: Technologies for Nature

Frederic Dionisi, CEO ZEROWIRE

Wireless Charging for Drones: Innovation and Challenges for Continuous Flight

Nicola Di Luca, CEO Ecodrone
